

Villa Granada

10 Bedrooms

10 Bathrooms

5,555 square feet

Beautiful new modern pool home with covered terrace and full outdoor pool bathroom. Lush landscape, spacious floor plan, master suite upstairs with large spa like bathroom, his and hers walk-in closets. 10 bedrooms: 3 downstairs; 7 upstairs. Formal light filled living room, formal dining room, game room with pool table and air hockey and large kitchen with island. Laundry rooms on each floor. Hurricane impact argon filled windows and doors. 2 car garage with plenty of outdoor parking. Close to the University of Miami, Miracle Mile and quick access to Downtown. Great home for large families, friends or colleagues.

Please ask us for any other services you require! From a chef to a yacht charter, we are here to ensure you have the absolute best experience Miami has to offer!
