350 Feet of Waterfront

At the mouth of the Little River sits the Miami Blue House, a sprawling estate surrounded by a breath taking 350 feet of waterfront views. Gaze at everything imaginable from this Saphiric Beauty, from daily dolphin visits, manatees and sharks by day and Electric Skyline views at night.

This waterfront palace in a gated community is located at the very end of the cul de sac and sits on the entire corner pie shape lot on approximately 1/2 of an acre, from the Bay to the entrance of the canal for a safe dockage with about 300 ft. of seawall. The elegant 8,000 square foot, 2 story home with a 3 car garage features a gigantic 1,500 square foot, 2 level master suite with it's own private screening area, dining room and balcony with a bed fit truly for a King (or Queen). The remainder of the West Wing contains a Queen Guestroom with waterviews, a twin room that doubles as a service quarters and a real Chef's Kitchen featuring a full size walk-in. A bar and breakfast nook are literally surrounded by Biscayne beauty.

The next room over is a dining room featuring a 14 person dinner table, with additional table seating for another 10. Adjacent to this is a recreational room replete with a pool table and arcade stocked with 200 classic games. Walking into the East Wing is a regal living room, featuring resplendent blue and gold accents, a 70 in television and professional sound to keep your guests entertained day and night.

Before walking up the spiral staircase, is the Princess room, fit with 2 Queens and a make up area perfect to doll up for a night out. Once up the stairs are 3 more bedrooms. The blue is outfitted with 3 Queens, 2 Full Bathrooms and a flat screen TV. On the other side of the hallway is the Sunrise Room also fitted with 3 Queens and a full bath, while the Lime room features a Queen bed and full bath. Stunning Bay Views are in high supply as all bedrooms upstairs have access to the sprawling balcony that event connects all the way around the house back to the Master.

Once you step outside the fun has just begun! With seating for literally 100, the expansive outside features an immense 80 foot heated pool and jacuzzi with a marked by its stunning elliptical-hourglass shape as well as a Tiki-Hut measuring over 2500 square feet. It's easiest to simply list the highlights of the Blue House's Great Outdoors: Pizza Oven, Smoker, Dining for 40, Game TV, 10 sectionals, Waterfall above a heated pool, LED jacuzzi, dancing pole, Chess Board, and abundant Balinese works of art that dot the property including one illuminated in the resplendent azure waters of the pool both day and night.
