

Casa Bella

5 Bedrooms

7 Bathrooms

5,805 Square Feet

This home has been presented in many distinguished publications for its unique design. Standing proudly at the tip of a guard gated island. With a Caribbean beach house feel it is surrounded by 162 feet of open waterfront. Unique in design with floor-to-ceiling glass, beautiful Brazilian walnut floors, a large pool, exquisite coral patio, outdoor bar, cabana, dock and boat lift, full house generator as well as 2 car garage. This luxurious home also features a gas range in state of the art open kitchen, white sand beach, indoor and outdoor swings, updated bathrooms including an shower in the center of the upstairs master. Downstairs master features a massive shower with both bedrooms looking straight out onto the azure waters of Biscayne Bay. Located in an exciting area of Miami, surrounded by a vibrant arts and design scene. A boat lift, dock movie den, Alexa true sound and oversized lot complete this gem in Miami's Upper Eastside.
